PS/PM GRAPHICS disks are simple to use. You need PrintShop(tm), PrintShop Companion(tm) or any program which uses pics for these programs(for PM Graphics, you need ST Printmaster-see PM instructions below). Load your main program(PrintShop, Companion, or other)& follow the screen prompts. When you get to Choose a Graphic, highlight From other disk, & insert this disk into correct drive. Type the pic's name you want exactly as it appears on this sheet. If you get an error, check the pic names on screen for correct spelling.

Portions of this disk & sheet property of Beagle Bros INC (c)copyright 1985, 1986 1988 by Fred &Sara Crone - NFS-800 E. 23rd St. Kearney, Ne. 68847. Warranty- Disk will be replaced for 90 days with proof of purchase if original is returned prepaid. The PrintShop(tm) / PrintShop Companion(tm), Printmaster / Printmaster+ are registered trademarks of Broderbund Software and Unison World Respectively, not affiliated with NO FRILLS SOFTWARE.

For use with Printmaster(+) on ATARI ST's, to choose a disk, select "From Another Disk". Then proceed to choose pictures as you normally would. On disks with DEGAS pictures of the PM graphics, load as you would any DEGAS PI2 picture.
